MATERIALS

We work with monitoring programmes to ensure compliance with safety, health and quality standards for our products.

CARE

To keep your dresses clean, you only need to freshen them up and go over them with a cloth or a clothes brush. If you need to dry clean a garment, look for a dry cleaner that uses technologies that are respectful of the environment.

Do not use bleach

Do not tumble dry

Dry clean with tetrachloroethylene

Iron at a maximum of 110°C/230°F

CARE

Free Flat Rate Shipping

Estimated to be delivered on
